SEPTEMBER 12-13, 2026

PROPHECY & PROMISE: *An Ancient Understanding of a Radiant Future* Friday, September 11, 2026 7-9pm \$30

Brooke will share prophecy: ancient wisdom as it relates to our present time and the awakening future. Indigenous cultures have long had knowledge of the time in which we are now living, and have offered power-filled guidance for moving into a golden time in the highest and most graceful way. She will lead you to sing and move in simple and powerful dance forms to actively honor all levels of radiant Life. After a short talk, there will be open time for questions to help broaden her sharing and make it more relevant to your life.

WALKING THE PATH OF HEART & HOLINESS: *Dawn Star & White Buffalo Woman* Saturday-Sunday, September 12-13, 2026 \$300 (for both days) or \$200 (for one day)

Two profound guides have been given us as we walk into this new time of peace, abundance and loving light. Dawn Star is a native American name for the Christ light who came into the Americas bringing a new message of love at the beginning of the Piscean Age. Our charge is to learn that loving way so that we can move forward into the Aquarian Age in a powerful and transformed way.

Brooke will share profound teachings from her FlowerSong lineage about the primacy of the heart and love in our awakening to the Golden Age. More than simple emotion, it is a vital, rich and full pathway to a good and blessed life in which we offer our highest gifts, manifest our dreams, and serve our world.

White Buffalo women brings the feminine teaching of wholeness and holiness, in which we learn the primacy of the Great Spirit in all things. Honoring the oneness through the chanupa (sacred pipe) is a gift she offers us, as we awaken ourselves to the magic and power of holiness. We will learn to open to the Oneness, manifest our dreams through "White Buffalo Woman's womb", and walk forward in greater harmony and serve for All Our Relations. We will complete our time together with a lovely ritual of commitment to our joyful and heartfelt service in the world.

Come ready to learn, share, travel on shamanic journey, quiet in visioning, as well as chant and dance in sacred circle.
